Learning Through Play - The

Active Learning Way

Tuesday, March 6, 7:00 – 9:00 pm

Training hours: 2, CEU: .2, Regulation areas: 1, 3, 5

Cost: \$12 (\$17 non-member), ID# 4007

This workshop outlines the components of active learning... direct, hands-on experiences with people, objects, events, and ideas. Active learning is the cornerstone of helping young children learn and grow in family child care homes. In active learning settings, children construct their own knowledge through their interactions with the world and the people around them. Presenter: Tina Rose-Turriglio

A Smoother Day - Schedules and Routines

Tuesday, March 13, 7:00 – 9:00 pm

Training hours: 2, CEU: .2, Regulation areas: 1, 3, 5

Cost: \$12 (\$17 non-member), ID# 4008

The daily routine determines the use of play space and what types of interactions children will experience during each part of the day. Routines and schedules represent a predictable daily sequence of events where children can anticipate what will happen next, giving them a sense of control and confidence. The daily routine also helps caregivers to organize time in ways that offer children interesting and challenging learning experiences. Presenter: Arlene Schmidt

I Know Where it Goes - Organizing

Your Play Room

Tuesday, March 20, 7:00 – 9:00 pm

Training hours: 2, CEU: .2, Regulation areas: 1, 3, 5

Cost: \$12 (\$17 non-member), ID# 4009

Learn how to label and store materials so children can easily help with clean-up. Discover strategies for equipping the play space to encourage creativity by using interesting free, found, and recycled materials. Presenter: Heather Sweet

The Gifts of Infancy - Development

From Birth to Three

Tuesday, March 27, 7:00 – 9:00 pm

Training hours: 2, CEU: .2, Regulation areas: 1, 3, 5

Cost: \$12 (\$17 non-member), ID# 4010

Learn about the developmental milestones of the first year of life and why infants are called sensory-motor learners. Participants will develop strategies for building trusting relationships with infants. Presenter: Sarah Gould

Caregiver Interactions - What You Say Is Important

Tuesday, April 3, 7:00 – 9:00 pm

Training hours: 2, CEU: .2, Regulation areas: 1, 3, 5

Cost: \$12 (\$17 non-member), ID# 4011

Learning to be independent is an important skill for young children to learn. From around two years old, children learn to distinguish themselves from others. Explore techniques to enhance caregiver-child interactions. Presenter: Colleen Faragon

Look What I Can Do - Understanding

Preschool Development

Tuesday, April 10, 7:00 – 9:00 pm

Training hours: 2, CEU: .2, Regulation areas: 1, 3, 5

Cost: \$12 (\$17 non-member), ID# 4012

Learn about brain development in preschool-aged children and how to recognize the uniqueness in the way children think and view the world around them. Strategies to support preschool children's thinking are outlined. Presenter: Lynn Siebert

Partners with Children - Planning

& Learning Together

Tuesday, April 17, 7:00 – 9:00 pm

Training hours: 2, CEU: .2, Regulation areas: 1, 3, 5

Cost: \$12 (\$17 non-member), ID# 4013

The more children put their own thoughts and experiences into words, the more involved they become in thinking about and interpreting their world. Learn techniques to; enhance caregiver-child interactions, teach through letting children lead, promote conversation, and build partnerships. Presenter: Sheri Dushane
